On May 13, 2014, Lynn Jenkins for Congress deposited a \$1000 contribution from the Building Owners and Managers Association International Political Action Committee. This check should not have been deposited in the Lynn Jenkins for Congress account as it was made out to LYNN PAC (Lead Your Nation Now Political Action Committee) and intended for that committee.

This mistake was detected as we prepared our 2014 Year End FEC report. On December 31, 2014 Lynn Jenkins for Congress made out a check for \$1000 to LYNN PAC to rectify this error. This expense shows up on Line 21 of our 2014 Year End FEC report.

Thank you.
